SPONSORSHIP DECK

40 GOAL POLO CHALLENGE

SATURDAY, FEBRUARY 15, 2025
NATIONAL POLO CENTER WELLINGTON

LETTER FROM THE PRESIDENT

Thank you for your interest in the Polo Players Support Group's annual 40-Goal Polo Challenge. We are a 501(c)3 tax-exempt organization helping those who could be so easily forgotten. We are firmly established and actively engaged in providing financial assistance to seriously injured or ill members of our polo community.

In 2000, the 40-Goal Rob Walton Benefit was created to raise money for 8-goal Polo Hall of Famer, Rob Walton, who was paralyzed from the neck down in a polo accident. In this inaugural event, many of the best polo players in the world donated their time and efforts to play this exhibition match and raise funds to help Walton meet his on-going medical expenses.

Inspired by the success of the Rob Walton Benefit and recognizing the need to help other members of the polo community, myself, Tony Coppola and Tim Gannon founded the Polo Players Support Group (PPSG) and created the annual 40-Goal Polo Challenge to raise funds to help the ill and injured members of the polo community that are in financial crisis.

Held at the winter polo capital of the world, the International Polo Club Palm Beach, this event is the highest level of polo in the world featuring the top eight players in the world. It creates a unique opportunity to expose your brand to world-class athletes and polo fans alike while simultaneously helping those in need.

Since its inception in 2002, the PPSG has awarded over \$3.5 million dollars in assistance grants to 115 different players and grooms. Most polo players likely know someone the PPSG has helped. A complete list of those benefitting from our support can be found at www.polosupport.com.

Thanks to the incredible generosity of friends like you, we are able to pursue our mission.

David Offen
President of the Polo Players Support Group
